**Re: Joint Application of Mobilitie, LLC, Transferor, and South Carolina Transmission Network, LLC, Transferee, for Approval of *pro forma* Transfer of Certificate of Public Convenience and Necessity to South Carolina Transmission Network, LLC (Docket No. 2016-183-C):
*Request for Withdrawal***

Dear Ms. Boyd:

Mobilitie, LLC (“Mobilitie”) and South Carolina Transmission Network, LLC (“South Carolina Transmission Network”) (collectively, the “Applicants”), by their undersigned counsel, hereby request that the Commission approve, pursuant to S.C. Code Ann. § 58-3-240(E), the withdrawal of the Applicants’ Joint Application for Approval of *pro forma* transfer of Mobilitie’s CPC&N to South Carolina Transmission Network.

The Applicants are requesting the withdrawal of the Application as the Parties are no longer contemplating the transaction. Accordingly, Mobilitie shall continue to operate in South Carolina pursuant to its Certificate of Public Convenience and Necessity. Furthermore, South Carolina Transmission Network does not intend to seek Commission authority to provide telecommunications services in South Carolina at this time.

I have discussed this matter with counsel for the ORS, and the ORS does not object to this request.

Very truly yours,

ADAMS AND REESE LLP
